

REMARKS

Applicant has amended the specification as required by the Notice of Non-Compliant Amendment to refer to the application as filed and thereafter amended, and to further include a corresponding description of the newly added drawings. Support for the foregoing amendment can be found throughout the specification, drawings, and claims as originally filed and as amended. The Examiner is respectfully requested to reconsider and withdraw the objection to the drawings in view of the amendments and remarks contained herein.

Applicant has amended the fifth paragraph on page 24, continuing to page 25, of the specification in order to refer to the features of Figures 10A and 10B. Applicant has also amended the first full paragraph on page 4 of the specification in order to correct a typographical error. The amendment to the specification filed January 9, 2009 has been corrected to reference the second paragraph on page 14. Applicant has also amended the fourth paragraph on page 12 and the second paragraph on page 21 of the specification to describe new Figures 10A and 10B which were submitted with the Amendment filed September 10, 2009.

CONCLUSION

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office

Action and the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested.

If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: March 17, 2010
